

WORLDS AWAY

BIGGS BCO

This lavish, Asian-inspired stool delights with its graceful curves and sculptural form. Black cerused finish accentuates natural oak grain texture, and structured white linen seat offers the perfect perch. Bunch two beneath a console for a dramatic entryway, then introduce as extra seating when you're playing host.

20"H x 18"W x 16"D

*Wood has natural variations and may differ slightly between panels.
