

# WORLDS AWAY

## HEIDI NNVY

Some may say the Heidi desk was designed solely to revive the lost art of penmanship – but whether you use it for writing letters or emailing them, you'll love the exquisite luxe tailoring in any contemporary home office. Contrasting natural grasscloth drawers add an organic feel to this timeless, high gloss navy lacquer frame. Polished nickel hardware completes the look.

GAP BETWEEN LEFT DRAWER TO RIGHT DRAWER 23.5"

DISTANCE FROM BOTTOM OF MIDDLE DRAWER TO FLOOR 26.5"
