

# WORLDS AWAY

## SETON S

With exacting proportions and a luxurious finish, our petite Seton iron console makes a big impression in any space. Marble shelf and top float within the hand-hammered, silver leaf frame, presenting a gravity defying look guaranteed to surprise and delight. Strategically sized to position in a smaller entryway or anywhere you need functional and stylish display surfaces.

30" W X 34" H X 12" D
