EFFIE BL

Looking for a versatile piece to liven up your home? You've found it! Our Effie BL is elegant, striking, and practical all in one. With ample storage space concealed behind each of its four doors, the Effie BL combines elegance with functionality. The buffet is adorned with four square brass handles that open to reveal three adjustable and removable shelves, one in center and two on sides, and a protective glass top. Along with the beautiful blue dyed grass cloth, our Effie is also offered in green dyed grasscloth and a classic white textured linen.
