EFFIE WH

Looking for a versatile piece to liven up your home? You've found it! Our Effie WH is elegant, striking, and practical all in one. With ample storage space concealed behind each of its four doors, the Effie GR combines elegance with functionality. The buffet is adorned with four square brass handles that open to reveal three adjustable and removable shelves, one in center and two on sides, and a protective glass top. Along with the beautiful white textured linen, our Effie is also offered in blue and green dyed grass cloth.
