

WORLDS AWAY

SADIE CS LB

Graceful curves and soft textures define the elegant Sadie CS LB stool, where comfort meets quiet sophistication. Upholstered in performance white linen, its clean counter height seat is framed in textured light blue linen for a subtle hint of color. A satin brass ring on the back adds a touch of glamour, catching the light with every turn. Perfectly poised for kitchen islands or casual gatherings, it brings a refined presence to every seat at the counter.
